CHICAGO, TUESDAY, SEPTEMBER 19, 1911.

PRICE 5 CENTS

VOTE MAY COME TONIGHT

EXPECTATION THAT ASSEMBLYMAN MARTIN WILL CALL UP GITTINS BILL.

Greater Interest Taken in Proposed Racing Legisla tion at Albany Than in Other Subjects Scheduled for Action During Special Session.

Albany, N. Y., September 18.—From the talk of the Legislators it is apparent that there is far greater interest in possible race track legislation than in New York's charter, re-apportionment or anything else that has been suggested. The Gittins bill, which merely relieves trustees, owners and directors of race tracks from personal responsibility for betting at tracks, will be called up by Assemblyman Martin, of Saratoga, and a strong effort will be made to pass it. It passed the Senate at the regular session. Its enactment into law would make possible a continuation of racing in the state and would prevent the decay or death of the horse breeding industry.

vent the decay or death of the horse breeding industry.

There is a strong sentiment for the bill. Those
who are most enthusiastic in their efforts to put the
bill through say that they can muster the necessary
votes. Those who have canvassed the situation pre
dict that the necessary majority could be corralled
if assurances were given that the governor would
sign the bill if it passed.

It is certain that the Gittins bill will be one of
the principal issues of the special session, and it is
likely that it will be called up Tuesday night.

New York. September 18.—The Farmers and Merchants' Mutual Assistance League, which was organized to oppose the passage of laws dictated by bigotry and prejudice, and which favors the Gittins bill at Albany, which relieves directors of corporations from responsibility for violation of the law on their premises, has increased its membership by several thousand in the last three weeks.

"There is a popular idea that the league is made up entirely of persons interested in horse racing," said one of the officers today. "As a matter of fact," most of the members at the present time are residents of rural sections, who believe not only in horse racing as a sport, but in personal liberty as a general principle, and who have been oppressed by the tendency of the last few Legislatures to restrict the rights of the individual.

"At the present time the directors' liability law is a dead letter, save as it refers to horse racing. It never has been enforced against the directors of prize-fighting clubs, baseball clubs, or county fair associations. For this reason the league is standing solidly behind the Gittins bill, which was framed to do away with this injustice."

MORE RAIN AT LEXINGTON.

Races Again Run Over Wet Course, but with Overhead Conditions Ideal.

Lexington, Ky., September 18.—There was an other heavy rain this morning and the track for the fourth day of the Kentucky Association's fail meeting was again wet, though the weather of the afternoon was delightful. The attendance was about two thousand. The racing was mostly perfunctory and practically featureless, although there were a trill and applause. The betting today was of heavier volume than on any of the previous three days, yet it was \$8,750 short of the total handled in the mutuels and auctions the fourth day last fall and \$11,826 short of the totals for the fourth day last spring. The longest and shortest price winners of the meeting were seen today when buquesse landed the second race at odds of 22,40 to 1 and Camel came home first in the last race at 19 to 20, he being the first odds-on favorite to win during the four days. The only other successful favorite during the day was F. H. Hitchcock's Yankee, gelding, Dust. in the lifth race. There was a hot tip about him. Helene and Ben Prior divided the money in the second race. But Duquesne, off forwardly and favored by the going, led all the way, and won easily from the favorite, with Ben Prior a fast-coming third. Emily Lea and Tim Judge acted badly at the post in this race, and were put on the schooling list.

Sandrian led all the way in the handicap at one flavorite, Messenger Boy. Syringa was the choice for the handicap for two-year-old tillies at six furlongs, but she faded away in the early pursuit of Mamita, which led all the way and won in a drive with Dorbie and Beatie Fuller.

Hugh McCarren had a good wager on Camel. He told all of his friends of his confidence in the sof Cameron.

The Carman horses, in charge of Frank Kelly, the stable agent, were shipped this morning to Louisville.

There will be a big shipment from here next Monday to Laurel, Md. In addition to the string of Thomas C. McDowell, the horses of Gallaher Brothers. J. W. Frye, Homer H. Selby, T. P. Hayes and probably those of J. W. May and others will go. The Laurel Stakes closed today, W. W. Lyles, who has been here in the interest of the meeting, received a telegram from H. D. Brown to the effect that the Jockey Club had given its sanction to the twenty-six days claimed for the new track.

E. R. Bradley, who arrived from Europe yesterday, was at the track this afternoon. He said he had a fine trip abroad and enjoyed the voyage, though it was rough returning. There is nothing in the report that was published during my absence to the effect that I might transfer my breeding establishment to France," said he. "I am an American, and the Stars and Stripes are good enough for me." Mr. Bradley said that he intends to seil his horses in training at the close of this season, and that he will not maintain a stable during the winter. "I am going to give Will Hurley a chance to go into the business for himself," he said. "He has been with me a long time, and he has been faithful and true, so I have told him that he can have unlimited credit at the sale of my yearlings and again at the sale of the horses in training."

M. A. Silvers, who comes annually from South America to the sales, is here to ge a few yearlings and take to Chill.

John Fay, Jake Marklein and Jack Lory were among the Cincinnatians in the crowd today.

Col. D. N. Prewitt of Danville was among the visitors.

Jockey Willie Dale is here to resume riding. He has applied for a license, Dale formely rode for Grover Baker, Lon Johnson and others. He can ride at 106 pounds. Dale has been getting in condition at the farm of Crowley & Lemp, near St. Louis, where he spent last year breaking yearlings. Crowley & Lemp have a two-year-old and a three-year-old, the latter by Pentecost, that will be sent here to race. Dale has broken in all nine yearlings, the get of Wounded Knee, Pentecost and a former crack of the Belmont stable, Mizzen.

Among the many improvements made at the Downs is the substitution of larger posts at the quarter, eighth and sixteenth. The eighth and quarter posts will be of one color and the sixteenth of a different color.

R. F. Carman's ten racers, which he shipped to Lexington, have been returned to the Downs. He made no explanation as to why he curtailed his stay at Lexington. The supposition is that track conditions did not suit his trainer.

Elljah Brewster announced that Fulfill will be sent to the stud at the conclusion of the fall racing season in Kentucky. She will be mated with Cunard.

Schorr, owher of runn, asso has a contract of the mare, Woodlane, which is now in foal to Cunard.

Turfmen from Missouri visited the Downs today and stated that a party of racing men and others interested in the turf had formed a Jockey Club and secured a lease on the track on the Rock Road leading from Wellston, not more than fifteen minutes by trolley from St. Louis. The track has been used recently as a course for automobiles. It is one and one-eighth miles in circumference. The club members are reported to be hopeful of in dueing the next Missourj legislature to enact a law similar to that which governs racing in Kentucky, and if so, it is proposed to hold a summer meeting in 1912. There will be no conflict with racing in this commonwealth. If the plans materialize a costly grandstand will be erected.

The program book for the first week of the Churchill Downs meeting is being distributed.

COLONEL WINN FOR MEXICO

PROMINENT AMERICAN OFFICIAL WILL MAN-AGE MEETING IN MEXICAN CAPITAL,

Returns to Louisville from Flying Trip to City of Mexico and Announces Arrangements for Meeting to Precede Winter Racing at Juarez.

Louisville, Ky., September 18.—M. J. Winn, general manager of the Louisville Racing Association and the Jockey Club Juracz, has been appointed general manager of the Jockey Club of Mexico, at Mexico City. Colonel Winn returned this afternoon from the Mexican republic accompanied by Judge Charles F. Price. The two racing officials made the trip to Mexico City and back in nine days, spending two days in the Mexican capital. Colonel Winn's announcement of his appointment to his new position was the first intimation that he had been considering it. The officials of the Jockey Club of Mexico, among whom are included President De La Barra, as well as other leading governmental officials and prominent citizens of Mexico, recently made to the Jockey Club Juarez a proposition to take over the plant with the understanding that Colonel Winn would assume its direction. This prompted Colonel Winn to make the hurried trip to Mexico. Arriving at his destination, he lost no time in perfecting arrangements for assuming the management of the plant and on October 25 he expects to open a seventeen-days' meeting under the auspices of the Jockey Club of Mexico. The feature race will be the Mexican Berby, worth 15,000 pesos, or \$7,500 in American gold. During every day of this meeting the club will distribute \$2,500 in gold in purses and stakes. The government will officially contribute to the meeting 25,000 pesos, 15,000 of which will be given for the Derby. This is to enogourage the breeding of thoroughbreds in Mexico. The Derby will be run on the opening day.

ment will officially contribute to the meeting 25,000 pesos, 15,000 of which will be given for the Derby. This is to enquirage the breeding of thoroughbreds in Mexico. The Derby will be run on the opening day.

At this time the Jockey Club of Mexico will be able to take care of only 150 horses, but immediately after the conclusion of this fall's racing, Colonel Winn will begin the erection of stables to accommodate 500 racers. The next meeting will be of thirty days' duration and will begin in February or March. Thereafter on every Sunday and feast day throughout the year, racing will be conducted on this course as it is in Buenos Ayres and Chile.

"The ontlook in Mexico City for racing is splendid," said Colonel Winn, "The most distinguished and eminent persons of the republic are interested in racing and the breeding of the thoroughbred horse. The Jockey Club Juarez has a twenty-year concession on the plant of the Jockey Club of Mexico. The track itself is a duplicate of the course at Belmont Park. It has a training track on the inside fifty feet wide. This track represents in realty value \$2,000,000. The grandstand, which is about the size of the one at the Downs, cost \$250,000. As abroad, the patrons of the sport prefer the lawns and these are magnificent. The entrance and approach of this track is the most beautiful I have ever seen. The grounds, flowers, shrubs and trees have been planted in accordance with the French idea of decoration. The Jockey Club of Mexico track is but fifteen minutes' ride from the heart of the capitol. It is close to Chapultepec, the palace of the president. In the distance are two folcanoes. From the lawns may be seen the Mexican military Academy, corresponding to West Point in the United States.

HALTER MEN SHOW ACTIVITY.

Two Run-Ups and a Claim Mark Racing at Coeur d'Alene-Good Crowd Out.

Spokane, Wash., September 18.—A greatly increased attendance over that of previous days, with the exception of the opening day and Saturday, greeted the beginning of the second week of racing at Cocur d'Alene. The weather was perfect and speculation exceedingly brisk. Fourteen layers, exclusive of the field and combination books, cut in. Jessup Burn won the feature race, a high-price selling sprint, in a drive with Elizabeth Harwood and Napa Nick. Napa Nick set the pace to the stretch, where he weakened, allowing Jessup Burn and Elizabeth Harwood to fight it out.

The racing generally was devoid of rough riding, the punishment meted out to several riders on Saturday by the judges having had a salutary effect.

Jessup Burn was bid up from \$700 to \$1,000 by J. Krause, his former owner, but was retained. Elizabeth Harwood was claimed out of the fourth race for \$825 by W. B. Carson. Banorella was bid up from \$600 to \$1,000 by N. K. Moody and sold.

Jockey McEwen was suspended for three days for rough riding.

KENTUCKY HORSE STATISTICS.

Frankfort, Ky., September 18.—Kentucky, the leading state in the Union in the production of blooded horses, places a value of \$21,841,278 on its 53-4,358 stallions, mares, geldings and coits of all kind of stock. There are 650 thoroughbred or standard-bred stallions, 449 thoroughbred or standard-bred geldings, 3,753 thoroughbred or standard-bred mares and coits, 3,133 common stallions and 346,573 mares, geldings and coits of common stock. The registered stallions are valued at \$191,747, the registered mares and coits at \$304,590, the common stallions at \$334,554 and the common mares, colts and geldings at \$21,091,612.

MARLBORO MEETING ABANDONED.

The meeting scheduled to open at Marlboro, Md., the coming Wednesday under the auspices of the Southern Maryland Racing Association, has been abandoned as a result of the recent destruction of the grandstand by fire. It is among the possibilities that the plant will be rehabilitated for a meeting in November, when there would be little racing in other parts of the country to compete with.

JAMESTOWN CASE AGAIN GOES OVER.

Norfolk, Va., September 18.—The proceedings started by Governor Mann of Virginia with a view to preventing the November races of the Jamestown Jockey Club, as well as all future racing on the Jamestown course, received a setback today when the case which the governor expected to proceed at this time was deferred until next month.

THIRTY LEADING AMERICAN JOCKEYS.

The chief effect of last week's racing on the standing of the leading jockeys was the further reduction of the slender margin by which T. Koerner is heading the list. Koerner's showing in the saddle continues amazingly poor for a boy who previously showed such skill. It seems hard to believe that since August 1 he has ridden only one winner—out of sixty mounts—yet such is the case. McCahey, who is a close second, seems destined to assume the lead shortly unless there is a sudden improvement in Koerner's riding. He is only five winning mounts behind. The record of the thirty leaders from Janury 1 to and including the racing of Saturday last follows:

RACING GOSSIP FROM THE EAST.

RACING GOSSIP FROM THE EAST.

New York, September 18.—William Lakeland is the one horseman who has remained loyal to the old Brighton Beach track—he had to, for his property is in one corner of the grounds that some seasons back was dedicated to the thoroughbred exclusively. Now that the track has been given over to automobile and aeroplane racing, it is not a good place for the training of horses, but the Lakeland is fitting for the coming meeting of the Lakeland is fitting for the coming meeting of the Maryland Jockey Club, at Pimlico, are jogged on the boulevard, and when it is considered necessary to indulge them in faster work than is possible or safe along the road, they are taken to the Graves.

Superintendent James Dumphy has kept the track of the Brooklyn Jockey Club in the best of condition all the time and there are several horses that have been in regular training there all through the summer. Mr. Lakeland was a sick man for a considerable part of the summer, but he is about again, and promises to be on hand personally with his horses from now until he takes them to Pimlico. There are six particularly likely two-year-olds in the Lakeland string at present.

George Kraus, who recently suffered a slight stroke of paralysis, is rapidly recovering. His lorses have been in the care of Frank Regan at Gravesend, and they are all training in excellent fashion.

Con Leighton is handling three two-gear-olds for Mr. Earl at Gravesend. They are intended for racing at Plimlico. The pick of the lot on appetarance is Vigorons, a handsome chestnut son of Hermis and Victoria M. He looks like a full-grown three-year-old at this time and has a magnificent way of going. Huda's Queen is a sister to Huda's Sister, a filly that raced fairly well for Mr. Earl. Last spring she recled off a half in 50, and she has been going along well all through the hot weather. She should be fit and ready for the Pimlico campaign.

James R. Keene's stable is one of the big racing establishments that has not been seen in public this year, but the white with blue spots will be seen in action before the end of the season. Ton Green is fitting the Keene string for racing at Pimlico. Sweep and Hilarious will represent the older division, and both have been training at Sneepshead Bay in a way to suggest that they will be ready to fittingly represent the vice-chairman of the Jockey Club when they are called upon. Then there are six Castleten bred two-year-olds and on all they have shown in their exercises they should cut an important figure in these races for those of their age. These youngsters are:

Equestrienne, chestnut filly by Hippodrome—Nora Creina.

Hook, bay colt by Peter Pan—Minteake.

Neverland, brown colt by Peter Pan—Anomaly. Promised Land, bay filly by Disgraise—St. Cypria. Playmate, brown filly by Peter Pan—Biturica.

This last named filly is a half sister to Maskette and she is a striking individual, though as a matter of fact each one in the half dozen shows no end of quality. They have, all been well advanced in private, and right now appear to be about ready for the races.

It is natural that this season there are fewer yearlings about the Long Island tracks than there have been in years. It has been usual at this time of the year than 200 or more would be working along and far enough advanced to make possible the selection for stake entires for the next race season. It is natural that t

John Powers will train a string of horses the coming fall and winter for "Cull" Holland. The horses are now on their way to Laurel from Okla-homa.

most valuable broodmares in Texas.

The racing interests, despite reports to the contrary, believe that the Gittins bill will pass the Assembly this week. Encouraging reports have recently been received from Albany.—New York Sun.

Frank J. Gould's bay colt, Cobourg, won the fine Prix Royal Oak from a good field at the Longchamps course in France yesterday. The stakes was for three-year-olds at one mile and seven furlongs, and was worth \$16,000. The Prix Des Chantepies, run at St. Cloud, in

France, yesterday, was won by Eugene Fischof's Castagnette. In the Prix Du Tunnel, W. K. Vanderbilt's lowa finished second, and the same owner's Satyrane finished second in the Prix Du Reservoir.

voir.

J. W. Young will take Valley and Alma Boy from Latonia to Knoxville, Tenn., for a five-days race meeting to be conducted in connection with the Appalachian Exposition, September 21, 22, 23, 25 and 26. Chalice and Automatic will be other horses that will go down from that section. The purses will be \$100 and \$150, with \$200 handicaps. This will be the first thoroughbred racing in Tenness since the anti-bookmaking law went into effective there several years ago.

MONTGOMERY PARK FOR PUBLIC USE.

Memphis, Tenn., September 18.—The passing of the famous southern race tracks where the thoroughbred formerly flourished is believed to be complete with the announcement today that the city of Memphis will purchase the property where Tennessee Derbys formerly were run. Montgomery Park will become a public park and the site for annual fairs. Almost at the same time comes the announcement that a part of the famous Belle Meade breeding establishment near Nashville will be converted into a golf course. The Little Rock track (Clinton Park), where Arkansas Derbys were run, is planted to a full crop of corn. Ofter southern tracks have been abandoned or converted into other uses following legislation against betting.
